Research Profile

PhD candidate in Philosophy at Ca' Foscari University of Venice, working at the intersection of philosophy of science and social epistemology. My research examines how epistemic trust, collaboration, and institutional structures shape the knowledge produced by large-scale scientific collectives, with a focus on multi-messenger astronomy.

Research interests: Social epistemology; epistemic trust; philosophy of science; collective knowledge; scientific collaboration.

Education

PhD in Philosophy

Sep 2026–present

Ca' Foscari University of Venice

Venice, Italy

Research project: *Epistemology of Trust: How Trust Shapes Knowledge*. Examines how trust shapes knowledge production in scientific collectives, with particular attention to the LIGO and (ng)EHT collaborations.

Master's Degree in Philosophical Sciences, 110/110 *cum laude*

2023–2025

University of Milan

Milan, Italy

Curriculum: *Reasoning, Analysis and Modelling*.

Thesis: *Epistemology of the Emergent Subject: Models of Collaboration in the Event Horizon Telescope Scientific Enterprise*.

Supervisor: Luca Guzzardi; co-supervisor: Francesco Guala.

Bachelor's Degree in Philosophy, 104/110

2018–2023

University of Milan

Milan, Italy

Thesis: *Ernst Mach's Epistemology and Its Convergences with Pragmatism*. Supervisor: Luca Guzzardi.

Research Experience

Visiting Student

1–25 Sep 2026

TU Berlin

Berlin, Germany

Hosted by Professor Adrian Wüthrich and the NEPI research team; funded by TU Berlin's International Scientific Cooperation funds.

Talks and Conferences

Public Outreach

- **Lecturer in Philosophy of Time**, *What Is Time? Past, Present and Future in Philosophy*. Salone Estense, Varese, 20 Nov 2026 (upcoming).
- **Lecturer in Philosophy of Science**, *Philosophy of Science for Science Communication*. G.V. Schiaparelli Astronomical Observatory, Varese, 19 Apr 2026.
- **Lecturer in Philosophy of Science**, *Philosophy of Science for Astronomers*. G.V. Schiaparelli Astronomical Observatory, Varese, 9 Nov 2025.

Scientific Presentations

- **Colloquium**, *Epistemology of Trust: How Trust Shapes Knowledge*. TU Berlin, 23 Sep 2026.
- **Presentation of Master's thesis**, History, Philosophy and Culture Working Group, ngEHT Collaboration, 26 Nov 2025.

Attendance and Broader Interests

- **IMoS Opening**, TU Berlin, 10 Sep 2026.
- **ngEHT Workshop**, *Black Hole Initiative History, Philosophy, and Culture Day*, 19 May 2026.
- **COSMOS Project**, *Modeling the Cosmos: Frontiers in Philosophy of Astrophysics and Cosmology*, University of Milan, 3–4 Mar 2026.
- **SISFA Workshop**, *Towards a Quantum Culture: The Different Interpretations of Quantum Mechanics*, 9–11 Dec 2025.

Professional and Outreach Experience

Full Member and Volunteer

Jul 2016–present

G.V. Schiaparelli Astronomical Observatory

Varese, Italy

- Science communication, public engagement, and educational activities, including lectures in philosophy of science for astronomers and science communicators.
- Cultural event planning and delivery; volunteer training and didactic support.

HR and Recruitment

Apr–Jul 2023

Growtize Holding

- Recruitment coordination, CV screening, and online interviews.

Additional Information

Open Science: OpenScience Badge, University of Milan (May 2025).

Languages: Italian (native); English (fluent).

Research and communication tools: LaTeX, Python (basic), HTML (basic), Adobe Creative Suite, Canva, CapCut.
